PRIORITY

[REDACTED] told PAO Sabbagh [REDACTED] that
Faisal has been seriously ill for the past week [REDACTED]
[REDACTED] "His American doctor"
(presumably Forkner) has been notified and may come to
Saudi Arabia.

It is to be noted that the ARAMCO group who saw Faisal
September 29 (EMBTel 388) received no impression of
major illness beyond the fact that Faisal wore very dark
glasses (which he did not wear when I saw him September
22) and several times during their long interview dabbed
at his eyes with a piece of cotton.
